Dewan to H. H. the

G.S.A. 7-86-5

The humble petition of
Sivalaul Doobay late Cashier
Consulting Engineers office
Mysore Government.—

Respectfully Sheweth:—

1 That on the eve of his departure to England Col: Le Messurier R.E in his note Dated 30th October 1885 submitted for your approval certain proposals regarding the disposal of his Office establishment in case the Mysore State Railway should be transferred to the Southern Mahratta Railway.—
To retire your petitioner on pension was one of the proposals submitted by that Officer seeing that the grant of one years grace under your Proceedings No. 6117-26/163 Dated 8th January 1883 would enable your petitioner to secure one-third pension.—

2. That your were pleased to approve the proposals submitted.—

3. That the transfer of the Mysore State Railway to the Southern Maharatta Railway having been effected, the Secretary P. W. D. submitted the pension papers of your petitioner for sanction recommending the grant of one years grace to complete 15 years service for 1/3rd pension.—

4. That to the great regret of your petitioner, the Secretary P. W. D informed him that only a gratuity of Rs 420 had been sanctioned instead of 1/3rd pension as recommended.—

5. That your petitioner is a native of Irichindapoly and has spent the best part of his life in the service of the Mysore Government in the sincere hope of securing a small pension to keep his body and line together during the remaining days of his life.—

6. That had it not been for Col: Le Messurier's proposal, your petitioner would not have consented to retire from service inasmuch as he is still able to serve and thoroughly qualify

himself for a pension.—

7. That in conclusion, your petitioner humbly prays that you will be graciously pleased to grant him the one year's grace that was allowed to the Officials that were retired in 1883 in consequence of the abolition of certain Districts.—

And your petitioner, as in duty bound, will ever pray.—

To

The Dewan

to H. H. the Maharajah of Mysore

24-6-90

The humble petition of R. B. Sivalaul Doobay, Late Cashier Consulting Engineer's Office, Mysore Government.-

Respectfully Sheweth.-

That on the 28th January 1887, Petitioner submitted the details of his case praying for the sanction of 1/3 pension after granting 1 year of grace under the circumstances represented and subsequently submitted another dated 1st July 1887, to which latter a reply was received in No. 761 Dated 19th August 1887, to the effect that my name had been registered for re-employment when a suitable opportunity occurred.-

That Petitioner waited for a year at Bangalore under great difficulties as regards maintenance, and that as no orders were received for his re-employment, he was obliged to leave the country,

Country and go in search of a livelyhood.-

That Petitioner submitted many Applications from abroad but without any effect; and he consequently craves that as nearly 3 years have now elapsed, without either Pension or employment, his Pension (one third) may now be granted to him, under Dewan's Proceedings No. 6117-26/163 dated 8th January 1883, under the Circumstances recommended by Colls Le Messurier and Bowen R. E, as he was thrown out of employment owing to the reduction of Establishment, on the abolition of the Consulting Engineer's Office.-

And your Petitioner will as in duty bound every pray.-
